Additional Learning Resources

For more training on this topic and others, see XSEDE’s online self-paced training courses at:

- CI-Tutor
  www.citutor.org
- Cornell Virtual Workshop

Please complete the course evaluations. We really do read every one, and your comments are particularly useful.

If you’ve learned something useful here, it is due to the efforts of our satellite sites, especially your TAs.

See you all at the next workshop!
